WAIVER AND RELEASE FROM LIABILITY

I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete a run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. I know that this event specifically allows the participation of animals, and I assume all additional personal risks due to their presence.

I assume all risks associated with the presence and participation of my animals in this event, including, but not limited to, their actions toward other people and animals, their suitability to participate, and the physical and material risks described in the previous paragraph. **I understand that I must retain positive physical control of my animals at all times**, by using a leash or equivalent device, and that failure to control my animals may result in my expulsion from the event.

I grant permission to all the foregoing to use any photographs, motion pictures, recordings, or any other record of this or any event for any legitimate purpose.

Having read this waiver and knowing these facts, and in consideration of your acceptance of my application, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, the Socorro Striders and Riders, the Animal Protective Association of Socorro, and all sponsors, their representatives and successors, from all claims or liabilities of any kind ensuing out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons or entities named in this waiver.
